A global culture survey

Sarah Dickinson-Hyams and Jess Kitsell

How would an inclusive global culture survey support your ED&I work?

1. What would be the benefits of establishing globally shared questions on inclusive culture?

1. What are the key challenges to consider and how might we address them?

How would an inclusive global culture survey support your ED&I work?

1. What are some examples of shared questions you would like answered?

1. What would we need to benchmark culture data globally?
